Company Profile — get the bigger picture

Staples makes it easy to make more happen with more products, more value and more convenience. Through its world-class retail, online and delivery capabilities, Staples lets customers shop in store, online or on mobile devices.

Staples has been making it easy for businesses for 29 years with thousands of associates worldwide. Headquartered outside of Boston, Staples operates throughout North and South America, Europe, Asia, Australia and New Zealand.

more products

From technology to cleaning & breakroom to yes, even rain boots. We're adding thousands of products online every day, for more types of businesses than ever.

more ways to shop

We're all about convenience, whether you prefer to shop in store, online or on the go. You can even buy online and pick up in store.

more highlights

Perfect score

Staples received a 100% score on the Human Rights Campaign Corporate Equality Index in 2011, 2012, 2013 and 2014.

more responsibility

We generate business and environmental benefits — for ourselves, our customers and our communities — by leading the way in sustainable business practices.

more giving back

We reach out to and support the communities in which our customers and associates live and work by creating jobs, making financial contributions, participating in outreach programs and more.

2 million & change

That's how much we're giving to associate-nominated organizations that are making more happen in their communities.
